MANAGEMENT CORPORATION STRATA TITLE PLAN NO. 2871

OPERATING PROCEDURE OF TELEHONY SYSTEM AT THE VINES

The operating procedure for the Telephone Access System is as follows:-

1. Your guest dials your unit numbers (e.g 0107 representing #01-07)
2. Your telephone (which line that has been programmed, mobile or fixed) will ring. The number shown on your phone for the system will be **67413743**. When you answer the telephone, you will be able to communicate with your guest.
3. To unlock the Pedestrian gate, press the digit “**1**” from your phone. To unlock the Main gate, press the digit “**6**” from your telephone. Upon unlocking the gate, communication will automatically be cut off . NOTE: only 1 minute of communication time is programmed.
4. To refuse entry, just hang up the phone.
5. Each unit is entitled to 1 number.
6. Please inform The Management if any change of the phone numbers, so that the system can be updated.
